RULES 12b-25(b) AND (c)**

If the subject report could not be filed without unreasonable effort or expense and the registrant seeks relief pursuant to Rule 12b-25(b), the following should be completed. (Check box if appropriate.)

- (a) The reasons described in reasonable detail in Part III of this form could not be eliminated without unreasonable effort or expense;

**PART III
NARRATIVE**

State below in reasonable detail the reasons why the Form 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

The Company is unable to file, without unreasonable effort and expense, its Quarterly Report on Form 10-Q for the period ended June 30, 2008 because it is still receiving, compiling and incorporating certain information from its Italian consolidated subsidiary. It is anticipated that the Quarterly Report on Form 10-Q will be filed on or before the fifth calendar day following the prescribed due date of its Form 10-Q.

(2) Have all other periodic reports required under Section 13 or 15(d) of the Securities Exchange Act of 1934 or Section 30 of the Investment Company Act of 1940 during the preceding 12 months or for such shorter period that the registrant was required to file such report(s) been filed? If the answer is no, identify report(s).

Yes No

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof?

Yes No

If so: attach an explanation of the anticipated change, both narratively and quantitatively and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

The Company is in the process of completing the financial statements, and until the compilation is completed, any quantitative information at this time could be misleading. It is anticipated that the Company will report net losses during the period ending June 30, 2008 as opposed to a net profit during the 2007 period. This is primarily due to the approximately \$2,000,000 gain on derivative warrant liability and high margin revenues during the 2007 period compared to a modest loss on derivative warrant liability, smaller gross profit, and higher interest expenses incurred in the 2008 period.
