EXPLANATORY NOTE

This Amendment No. 1 to Form 12b-25 (this "Amendment") amends the Form 12b-25 originally filed on June 30, 2009 (the "Original Filing"), of ZiLOG, Inc., a Delaware corporation ("Zilog", the "Company", "our", "we", or "us"). We are filing this Amendment to change the information required by Part IV paragraph 3 of Form 12b-25.

Except as described above, no other changes have been made to the Original Filing. The Original Filing continues to speak as of the date of the Original Filing, and we have not updated the disclosures contained therein to reflect any events which occurred at a date subsequent to the filing of the Original Filing.

**PART IV
OTHER INFORMATION**

- (3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof? Yes No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

Explanation

As a result of the sale of the Company's universal remote control and secured transaction processor businesses to Maxim Integrated Products, Inc. and Universal Electronics Inc., the assets and liabilities, results of operations and cash flows related to the sale business have been classified as discontinued operations in the consolidated financial statements for all periods presented through the date of the sale. During fiscal 2009, we experienced a significant reduction in sales reflecting lower demand for product and the global worldwide recession. Reference is made to the financial statements contained in the Company's Annual Report on Form 10-K for the fiscal year ended March 31, 2009, as filed on June 30, 2009 which preceded the filing of this Form 12b-25/A.
